BACK TO OUR ROOTS

2025 OTEA SPRING MEETING BACK TO OUR ROOTS

HOSTED BY THE OKLAHOMA TRAFFIC ENGINEERING ASSOCIATION

**MAY 21-23, 2025
WES WATKINS CENTER,
OKLAHOMA STATE UNIVERSITY
STILLWATER, OK**

2025 OTEA SPRING MEETING

Summary

The Oklahoma Traffic Engineering Association, a Section of ITE, is pleased to host the 2025 Annual Spring OTEA Meeting in the historic city of Stillwater, Oklahoma.

Stillwater was part of the first Oklahoma Land Run held on April 22, 1889, when the Unassigned Lands were opened for settlement and became the core of the new Oklahoma Territory. Stillwater has a diverse economy with a foundation in aerospace, agribusiness, biotechnology, optoelectronics, printing and publishing, and software and standard manufacturing. Stillwater is home to Oklahoma State University (the city's largest employer).

The 2025 Spring Meeting will be held at the Wes Watkins Center, which is on the campus of Oklahoma State University. The OTEA Board has worked hard to develop an educational program and networking events. A summary is below, with a draft technical agenda on the following page.

Wednesday, May 21st

For golfers there is a scholarship golf tournament earlier in the day at Lakeside Golf Course and for non-golfers, there is a OSU CEAT Tour. Then in the evening there is a Welcome Social Event at the Best Western Cimarron Bar & Lounge.

Thursday May 22nd

On Thursday there will be an educational technical program featuring keynote speakers and will include breakfast, lunch, and snacks. Thursday evening will consist of an OTEA Tailgate with dinner and games.

Friday, May 23rd

Friday's breakfast will include honoring OTEA Past Presidents. Then the educational technical program will continue and the conference will finish out with an OTEA Business Meeting. A tour of OSU CEAT will also take place following the meeting.

2025 OTEA SPRING MEETING

Sponsorship

The success of events such as the Annual Spring OTEA Meeting is the result of the support of organizations who recognize the value of the services provided by this organization. Companies are able to show their support for the meeting and OTEA through a sponsorship. In return, your company's logo will be displayed on various meeting materials, with recognition given during the conference, to maximize visibility of your company to meeting attendees. An email of your company's logo shall be emailed to **Ryan Henderson** (rhenderson@lee-eng.com) prior to **May 6th** so that it can be included on the official program and meeting materials.

Early sponsorship submittals will allow for your logo to receive the maximum exposure on the website and official meeting program. We encourage you to complete this form and provide your logo as early as possible. The sponsorship registration **does not include** any registration. Individual registrations must be completed for each sponsor participating in any meeting activities.

Exhibitors

The Annual Spring OTEA Meeting offers organizations an opportunity to showcase their products and services to a large and varied audience of transportation professionals. Exhibitor booths will be available for those organizations who register for an exhibitor registration before **May 6th**. Additional information is below:

- There are a limited number of exhibit booths available. Exhibitor registration and location assignment will be done on a first come, first serve basis.
- **Exhibitor booth set up is available beginning at 5:00 PM on Wednesday, May 21st. Exhibits must be removed following the last presentation on Friday, May 23rd.**
- Exhibitor registration includes 6' table and chairs. Power is limited and not guaranteed.
- Meeting sponsorships must be purchased if additional advertisement is desired.
- The exhibitor registration **does not include** any registration. Individual registrations must be completed for each exhibitor participating in any meeting activities.

Professional Development Hours (PDH)

PDH forms will be included in the registration packet at the conference sign-in desk. Meeting attendees can earn PDHs for the technical sessions throughout the meeting.

The Course...

Designed by Oklahoma State Golf Coach Labron Harris in 1945, Lakeside Memorial is Stillwater's most historic golf destination. Lakeside served as the home of the legendary Oklahoma State University Golf Team for almost 50 years. Rickie Fowler, Bob Tway, David Edwards, Doug Tewell, Scott Verplank, and many other PGA Tour players sharpened their games using the facilities at Lakeside.

In 1998, celebrated architect Tripp Davis renovated Lakeside to its current layout. The golf course wanders through giant oaks in the gentle rolling hills of north central Oklahoma. Featuring SR-1020 bent grass greens and zoysia/bermuda tee boxes, Lakeside offers the finest playing conditions in Stillwater. With these amenities, its no wonder that Lakeside is annually named on of Golf Digest Magazine's "Best Places to Play".
